

OPPORTUNITY

GRADUATE ARCHITECTURAL TECHNOLOGIST

NEWCASTLE STUDIO

As a result of GSSArchitecture's continued success, we are looking to recruit a Graduate Architectural Technologist to join a well-established, award-winning Practice, based at our Newcastle Studio.

Location: Newcastle
Job Type: Full-Time, Permanent.
Hours: 38.75 per week, flexibility with start and finish times.

GSSArchitecture, one of the longest established architectural Practices in the country, is looking to appoint an enthusiastic, confident, well-organised and committed Graduate Architectural Technologist to join our team, and assist in the continued growth and profitability of the Practice of 7 Partners, 70+ staff, and six national offices. The team and practice have been accredited to an Investors in People (IIP) Gold standard, rated as the second-highest scoring architecture practice on the IIP international database. We pride ourselves on our commitment to Sustainability and Health and Wellbeing, both in design and creating a healthy environment within which to work.

What is on Offer:

- Opportunities for career development and support.
- The chance to work at a national Practice, with an exciting and diverse range of projects in different sectors.
- Competitive salary.
- Agile working hours.
- Established Home Working Policy.
- Practice-led rewards and recognition policy.
- Regular functions and events.
- Friendly and inclusive working environment.
- Training and development opportunities.

Role & Responsibilities (this list is not exhaustive):

- Assisting with the day-to-day delivery of projects, working in collaboration with the team. You must therefore be able to demonstrate strong capabilities across RIBA stages 0-7.
- Assisting with the production of working drawings, schedules, specifications and building regulations information.
- Liaising with clients, contractors, consultants, local planning authorities and building control.

Qualifications and Experience:

- Level 5 (HND) in Architectural Technology or degree level Architectural Technology qualified.
- CIAT registered preferred however we can support route to membership.
- Experience of working drawing packages is preferred.
- An understanding of planning and UK Building Regulations.
- Fluent Revit user.
- Experience of working collaboratively as part of a team.
- Must possess an eye for detail and design.

If you would like to apply for the above position, please send your CV and covering letter to recruitment@gssarchitecture.com quoting reference RA097.

we are an equal opportunities employer
